## INTRODUCTION

This report is a description of admissions, releases and transfers within the Massachusetts correctional institutions during the year 1977. The information in this report is broken down into several specific categories including: type of admission, type of release, institutional transfers, returns from hospitals, releases to hospitals, transfers of houses of correction inmates to Department of Correction facilities, transfers to houses of correction, returns of Department of Correction inmates from houses of correction, transfers to houses of correction on a from and after sentence, admissions from out of state and releases to out of state.

Each of these tables are sub-divided by the specific correctional facility. The information presented here was obtained from the data base developed by the Correction and Parole Management Information System (CAPMIS) and was produced on the Massachusetts State College Computer Network (MSCCN).
