INTRODUCTION

The following report is a description of court commitments to the Massachusetts county facilities (houses of correction) during 1981. Included is information concerning the operating expenditures, average populations as well as statistics regarding institution of commitment, month of commitment, present offense, sentence, age at commitment, sex, marital status, last school grade completed and court of commitment. The tables in this report were derived from data collected by the Data Processing Unit and were produced on the Massachusetts State College Computer Network.

Upon referring to the statistical tables in this report, the reader should take note of the following: (1) The total population is sub-divided by committing institution. (2) The top number in each cell represents the total <u>number of individuals</u> who fall into the corresponding category in the table. (3) The bottom number in each cell (the number contained in parenthesis) is the <u>percentage</u> of the number of individuals in the category to the total number of individuals from that institution (column percents). For example, upon referring to the first table on page 6, Month of commitment is presented and the following types of information can be obtained:

- (1) The total number of individuals broken down by committing institution is labeled and presented horizontally.
- (2) The specific months are labeled and presented vertically.
- (3) Of the 6,246 individuals committed during 1981, 1211 were committed to Billerica.
- (4) Of the 1211 individuals committed to Billerica, 132 (11%) were committed in January.

Total Operating Expenses For Year Ending 6/30/81

Average population for 1980: 2654

Percent increase (1980 to 1981): 10.3%

Summary of Statistics

During 1981, there were 6,246 individuals sentenced to the county facilities. This represents an increase of 15% over the number of commitments during 1980 and an increase of 115% over the number of commitments during 1974. The graph below illustrates the total number of commitments by year for the past 11 years. The 6,246 individuals committed during 1981 represent the largest number of commitments since 1971.

Institutions

Each institution includes the county jail and house of correction except for Suffolk County. Deer Island is the Suffolk County House of Correction and Charles Street is the Suffolk County Jail. The vast majority of the commitments were sentenced to the houses of correction. Excluding the 56 commitments to Charles Street Jail, there were 79 individuals committed to all other jails combined. The breakdown is as follows: Billerica 3, Worcester 7, Springfield 1, Salem 4, Lawrence 9, New Bedford 5, Plymouth 6, Pittsfield 2, Dedham 28, Greenfield 2, Northampden 6, and Barnstable 6.

Nearly half (46%) of the commitments were sentenced to three institutions - Billerica (19%), Worcester (15%) and Springfield (12%).

* See Appendix I for number of commitments by year.

Present Offense

The majority of individuals (83%) were committed for non-person offenses (48% for offenses against property, 5% for drug offenses, and 29% for other offenses). The single offense for which individuals were most frequently sentenced was burglary (21%).

Sentence

Sentences to county facilities may not exceed 2 1/2 years. One half (51%) were committed for sentences of three months or less which includes commitments in lieu of fines. Of the 6,246 commitments during 1981, 181 (3%) served weekend sentences.

Age At Commitment

The median age for commitments to houses of correction is 23 years old.

<u>Sex</u>

The vast majority of commitments were male (98%).

Marital Status

Most individuals were single (72%), whereas only 17% were married at the time of their incarceration.

Last School Grade Completed

The median last grade completed was eleventh grade. Over one third of the commitments (37%) graduated from high school, whereas only 92 individuals (1%) graduated from college.

Court of Commitment

Most (87%) of the commitments were sentenced from District Courts.
